Located in the English County of East Sussex, Groombridge is a modern and developed village of England. The village is divided into two parts; the old and new. The Old Groombridge covers the smaller area of Groombridge. It falls under the administration of Borough of Tunbridge Wells. The New Groombridge is within the civil parish of Withyham in the Wealden District of East Sussex County. The royal town of Tunbridge Wells is at a distance of 7.2 kilometers. Transportation facilities in the village include Groombridge airport cab services, local taxis, private car hires, vans, buses and trains. Groombridge has a railway station which is located on the Spa Valley Railway (SVR) in Groombridge.

The Groombridge Railway Station comprises of a red brick building. The companies that serve the rail station of Groombridge include The British Rail and Spa Valley Railway. They travel to most of the major locations of East Sussex. The people who choose to travel by transportation means other than trains can utilize Groombridge taxi booking services. The village of Groombridge offers all the key facilities of living that include a primary school, general store, hair dresser, bakers, post office, auto dealers and other basic amenities of life. There is also a public house located in the village of Groombridge named as Crown Inn. Due to its ancient history that dates back in the year 1239, village of Groombridge is among the popular tourist destinations.

The Groombridge Place Gardens is the hotspot for tourists. It was laid out in the 17th century and was unseen for more than 300 years except a few of the favored people. The garden is full of lush green grounds, trees, plants and flowers of international importance. In fact it is a real treat to watch for anyone. The enchanted forest at Groombridge Place Gardens is specially made for children with lush green and exciting playgrounds, unusual animals, strange flowers, and fun activities. The stunning views of the garden create lasting memories for the visitors. The international tourists who are planning to visit the Groombridge Place Gardens can easily hire airport transfers in Groombridge to and from Stansted, Luton, Gatwick, London City, Heathrow and other major airports of United Kingdom.

The Groombridge Place is owned by some of the notable and distinguished people of Kent County. Aside from the recreational activities in the Groombridge Place, there is a Christian hospital named Burrswood located in the Northwest of the village of Groombridge. This hospital is not very advanced and hi-tech hospital however it offers some of the major medical facilities that include palliative and respite care, counseling, hydrotherapy, physiotherapy post-surgical care and rehabilitation. So if you wish to visit the village of Groombridge and get a change out of the busy and hectic city life, you must make your transportation arrangements prior to your arrival in the village. The airport cab services in Groombridge to and from Luton, Stansted, Heathrow, Gatwick, London City and all other major airports of UK are easily accessible.
