New York City being one of the iconic cities of the world offers facilities that are more luxurious than your imagination. The city of New York which is also called the city that never sleeps, offers transportations, accommodations and recreational places that are second to none. The people from around the United States and even from around the world, travel to New York City in search of fun and entertainment filled activities. The city has a wealth of attractions that include grassy parks, recreational areas, bars, pubs, dance clubs, restaurants, cafes and a lot more. The transportation facilities in New York City include private car hire facilities, car rental companies, vans, buses, coaches, transits, trains, airplanes and much more. There are a large number of limousine hire companies in the city that offer special packages for different events and occasions suiting the budgets of different people. The different occasions where limousines are usually hired in New York include:

Wedding Car Hire

Itâ€™s a dream wish for almost all couples around the U.S and even outside of the U.S to get married in the New York City with style. The city has a countless number of opportunities for a remarkable wedding ceremony with the most fascinating places. The locations are almost endless that include the Central Park being top of the list. Many couples also prefer to get married on the beach and spending their honeymoon on the seaside resort. The most popular thing about New York Weddings is that people usually make use of limousine cars for arriving and departing and the occasion with style and elegance. There are a wide number of limousine companies offering special wedding car hire packages which are budget friendly and made according to different types of people. A chauffeured limousine makes them the talk of the town and makes their special day more special.

Airport Transportation

Many families, businessmen as well as solo travelers choose to hire limousines as a source of their airport transportation. There are many different kinds of limousines each suiting different travel requirements. The sedan limousines are the most economical limousines and are hired by the solo travelers or couples. They include Mercedes S Class, BMW 7 Series and Lincoln Town Car L Series. However those who are fonder of luxury and style usually choose to hire the most expensive and luxury vehicles, the stretched limousines. They are the most comfortable and luxurious cars with facilities that are second to none. These special limousines include Chrysler 300C stretch, Lincoln Town Car Stretch and many more. Others who are traveling in groups choose SUVs, Stretched SUVs like Hummer H2 Stretch, luxury vans and limousines buses.

Bridge Limousine is one of the leading online limo hire companies of United States. They have been providing comprehensive limousine services to their customers around the country since 2007. The events and occasions they cover include limo booking for sports event, wedding, night on the town tours, corporate travels, airport transfers, prom parties and many more. Bridge Limousine is known for the quality of their service and special care that they provide to their customers.
