Madrid weekends are about shredding your guards and enjoying the party to the hilt. From soccer to babes, Madrid has everything the stag group would ideally be looking for in the destination of their choice. The city is most famous for its wealth of natural scenery.

Stag party weekends in Madrid give you an opportunity to taste everything that you would expect from your last weekend as a bachelor. There is a wide range of adventure activities for stag groups to choose. Bull running, kayak polo, and horseracing are only a few among them.

Irrespective of the stag activities you choose- spending the day in a paintballing course or signing up for an Arab bath- be prepared to experience an adrenaline packed time.

Weekends come to life after sun down. The city's population makes a beeline for the different nightclubs around. Hence, while in Madrid you just cannot afford to give the cityâ€™s titillating nightlife a miss.

If strip clubs or pubs do not tempt you, then the city still has a lot to offer to its visitors. Treat your stag group to a mouthwatering Spanish dinner or buy tickets to an adrenaline high soccer match between two of the most famous football clubs in the world.
