Honeymoon for a couple happens just after their wedding and things are said to be saccharine at this point of time. For a newlywed couple, a honeymoon is a very important occasion. A honeymoon is the beginning of a new chapter in the life of a newlywed couple.  The first honeymoon is always enticing for any couple. Of course, the couple may go for many honeymoons later, but the first honeymoon is always special. So you need to make sure that your first honeymoon is a memorable one for you and your spouse.

If you wish to start planning for your honeymoon, you may visit travel agents to get some idea about the various options regarding the vacation. Finding a location that is isolated and undisturbed from a crowded place could be quite challenging though. Even if you have several options, there may be a few indifferences in opinion between you and your spouse while trying to choose the right place for your honeymoon vacation. However one needs give a careful thought about the intricacies of the trip depending upon your budget and convenience and accordingly design your vacation. Here are some useful guidelines that you would want to remember before planning your vacation to make your trip a memorable and romantic one.

First and foremost, you need to decide which place you would like to go to. Remember that this will be a place where you and your spouse will get to know each other better. Make sure that the place that you go protects your privacy and comfort. An important thing to keep in mind is, donâ€™t be in a hurry while leaving for your honeymoon. You may be tired after the wedding rituals and reception formalities, so relax for a couple of days before you start for your honeymoon. Be romantic in your honeymoon trip. You can be as creative as you can to make the trip more romantic. Avoid having silly fights with your partner while you are on your honeymoon vacation. This is a good opportunity to spend time together and you wouldnâ€™t want to spoil that by having a fight. And while you rent a hotel room, make sure that the hotel has all the facilities that you are looking for. If you are just a couple and there is no one back home, ensure your home is protected by a dependable security system like the ADT Home Security and enjoy the rest of the trip without having to worry about the safety of your possessions.

All right, letâ€™s take a look at a couple of the coolest romantic honeymoon vacation spots:

Hawaii is considered by many as the best place to enjoy a honeymoon vacation. The scenic views of the islands and the pristine beaches, swaying coconut trees, and the grandiose vistas of the mountain beckon romantic couples. The luxurious resorts and the nighttime luau will never fail to appease your taste buds. If you like to have fun, you have a host of adventurous activities like snorkeling, horseback riding, surfing and sailing, and kayaking. In the evenings, take some time to leisurely walk along the beach together. The dazzling stars in the sky and the fragrance of the beautiful flowers will make you feel fresh and cool. The tantalizing multi-cuisine restaurants of the Hawaii Islands throw up a variety of food in unique flavors that will never fail to entice your taste buds.  One thing is for sure; you and your spouse will have the honeymoon experience of your lifetime in the beautiful Hawaii Islands.  And the fragrance of the tropical flowers will linger in your mind even when you are back from your honeymoon.

Mexico is another preferred honeymoon vacation spot by newlywed couples from all over the world. There are lots of places to explore in this beautiful country and this is a great place for shopping too! You will be mesmerized by the exotic surroundings, and the intriguing culture of this country. Plan your honeymoon well ahead of time and make it the best of your life!
