Managing Transportation in Reading, UK

by Steven Ralph

Article published on April 5th 2012 | Travel

Reading being one of the largest towns of the United Kingdom is located between the River Thames and River Kennet. It is approximately forty miles on the west of London. Reading was one of the large religious centers with ties to the Royal family during the medieval times and holds rich culture and long historic traditions from the past. It is considered as a best place for settlement in the Berkshire with all kinds of air and ground transportation facilities. Reading cab reservation services are one of the best around the United Kingdom. Aside from its location reading consists of a large commercial centre focusing on IT and insurance.

Reading was a place of great significance in the medieval times. It is a home to two large universities. The University of Reading houses four museums that include â€˜The Museum of English Rural Lifeâ€™ which is of great importance. In this museum you will come to know about how the field of agriculture played a role in the progress of country and the process of its enhancement throughout the United Kingdom. Aside from the British history, The Museum of English Rural Life also throws light on the Greek archaeology, libraries, zoology and botanical gardens. The museums in The University of Reading are open to public.

Aside from the universities and museums, Reading holds great pride in being the hosts to the oldest and most popular musical festival of the world which is held every year in the month of August. This festival began in 1961 and after a decade, moved to the town. It is highly appreciated and well liked by people from around the world. Many people travel especially to Reading Berkshire for attending this musical festival. This musical festival focuses on indie and alternative music featuring the worldâ€™s best known artists. Managing ground transportation in Reading is very economical and cost efficient. You can look for a list of cab companies over the internet. CrossCab Reading cab rental company is among the leading car rental companies of Reading.

Broad Street in Reading is known as one of the best shopping places around. There are also many significant indoor shopping malls that include The Oracle Mall. These malls feature some of the most affordable and best products including fashion and leisure products as well as food products. The importance of these shopping malls can be judged from the fact that approximately 250,000 shoppers visit them every week. CrossCab is one of the leading suppliers of ground transportation services around the United Kingdom. Their Reading cab company is known as one of the best cab companies of Reading.

CrossCab holds the distinction of having the largest fleet of cabs in the entire UK.
