Are you looking for good places to visit during your holidays? Join the group of Beijing city tour and the unique experience will leave you an unforgettable memory!

During the warm seasons, Badaling tour is the most popular tour routes in Beijing. Here the Great Wall, such as a dragon generally between the towering peaks along the ridge winding, among the beacon towers and watchtowers clouds. Visitors can board the city a taste of the Great Wall, the magnificent and engineering vast and arduous. Badaling Great Wall, as the essence of the Great Wall, is an ancient and young majestic, meet attracted to an avalanche of world tourists.

There are several sections of the Great Wall situated in Beijing. Mutianyu Great Wall has a long history and splendid culture in Beijing and has a certain reputation and influence in China. Especially after the 2008 Olympic Games, the popularity and reputation of Mutianyu in the world has been effectively improved. Mutianyu Great Wall is surrounded by mountains and beautiful scenery and it is the ideal paradise for photography fans with different scenery in different seasons. Enjoying Mutianyu tour you will feel as if you were in another world.

The Forbidden City has unique collections and it is the world's largest and best preserved palace of wood structure. It is the pride of the Chinese nation and also a precious cultural heritage of all mankind. Exposure to the palaces in the Forbidden City, the tall fire-red walls, the rows of temple columns, huge pinnacle of the temple of yellow glazed tiles, blue, green and multicolored and gold reflect a variety of color painting, tourists will feel majestic.

Beijing has been lost in the passion of the times in which we have been very difficult to identify her original features. Besides the Forbidden City tour, Beijing hutong tour also provides a great chance for travelers to experience the history of Beijing. Beijing Hutong writes down the history of changes, the style of the times, and contains a rich cultural atmosphere, like a seat of the museum of folk customs, bears the imprint of the people of social life.
