One of best Top three Airlines - Spice Jet Airlines by [Travelhub](#)

Article published on February 1st 2012 | [Travel](#)

Currently in 2011, the SpiceJet Airlines has awarded as Skytrax (an independent travel forum and organization for air travel, which ranks the airlines according to their performance) Spice jet comes in 3rd place in the low-cost airline category. This reasonably priced airline headquarter is in Gurgaon, India. It was founded on 2004 and began service in May 2005 and by 2008, it was India's third-largest low-cost airline in terms of market share.

Within cheap fares Spice jet offers excellent in-flight services. It serves refreshments like sandwiches, soft drinks, juices, nuts and cookies offered on board for vegetarian and non-vegetarian both. It also provides free of charge Drinking water. Not only this much, it also allows their passengers to carry food items that are not oily, stinking or messy.

The most notable point about the Spice Jet is that it has been awarded with World travel market Award 2009. Furthermore, it has also declared by Skytrax- the best low-cost airline in South Asia and central Asia region.

SpiceJet manages over 243 flights daily to 31 Indian cities viz. Agartala, Ahmedabad, Aurangabad, Bangalore, Bagdogra, Bhopal, Chennai, Coimbatore, Delhi, Guwahati, Goa, Indore, Hyderabad, Jammu, Jaipur, Kochi, Kolkata, Madurai, Mumbai, Mangalore, Nagpur, Pune, Rajahmundry, Srinagar, Trichy, Tirupati, Trivandrum, Tuticorin, Varanasi, Vijaywada and Visakhapatnam.

The days have gone when fares of air tickets used to touch sky and it was not easy for people to afford the tickets. Now, airlines like SpiceJet and many other tried to change this trend and worked hard to offer Airline Ticket at affordable price to people all across the world. The fare of air tickets of SpiceJet has been designed in a manner so that they can reach large masses and not just a few elite people.

Anyone can book the tickets of SpiceJet Airlines through various means. So it is easier to book one for yourself and family through debit card or credit card. In this technological world all of us want to get the tasks done at a rapid speed thus Spice jet and also other airlines provides the facility on their website to book tickets at favored time and within easy access.

SpiceJet flight has proof that "It is not always true that cheap things are not good." It makes your journey affordable and comfortable by low-priced air travel.

Thus if anyone who is looking for low-priced air travel without negotiations on quality of services then traveling Via SpiceJet airlines would be a good option.
