The land of Rajasthan is just as culturally rich as it is historically charged. Scenically, it is considered pound for pound as one of the most astonishing sights in the world map of tourism. Known as the Blue City for its bright and aesthetic buildings painted in blue, Jodhpur is also known as the Sun City. The sun is up all the year, and the weather is always pleasantly sunny and calm. There is a large influx of tourists from abroad, and hence, Jodhpur hotels are quite luxurious. The steady flow of tourists is also fed by another of the cityâ€™s most famed attractions â€“ traditional Rajasthani sweets and cuisine.

Nestled amidst some of the most scenic desert hills, the city of Jodhpur has lots of exploration and discovery for the visitor. Jodhpur hotels accommodate most of these experiences; from guided trekking tours and camel rides, to some karmic self indulgence in serene meditation halls. This is why hotels and resorts in Rajasthan are of the highest standards, and are no less than any internationally branded 5 star accommodation. They are perhaps even more hospitable than larger hotels because of their traditional touch and very high regards to guest entertainment. This mix of traditional flavors to modern amenities makes private hotels a thriving business in all of Rajasthan.

Organized tours around the city and surrounding hills are one of the most sought after tourist demands. People visiting the serenity and tranquility of the countryside want to lose themselves to pristine nature, and this is what makes the tourism industry so fine tuned here. Most Jodhpur hotels ensure that their guests do not have to run about looking for package tours and customized guided tours. The hotels provide such packages in all ranges; from ones suited to families, to ones suited for honeymooners. Since the tourists can pre book and avail to huge discounts via direct online booking, the business services both the service industry and tourists very efficiently.

Another famous attraction to Jodhpur, mostly for the excellent cuisine; are weddings. With the hotels and resorts so plush and hospitable, a wedding in a palacial desert oasis is something royal indeed. Many a young and well to do couple today are rushing to Rajasthan for their wedding, and staying over for their royal honeymoon. To ensure no lack in facilitation, Jodhpur hotels are increasingly updating their facilities and provisions to meet this steadily increasing demand of hospitality.
