Plan a Vacation to Miami Beach by William Hauselberg

Article published on April 6th 2012 | Travel

With summer just around the corner, itâ€™s time to start planning your summer vacation. With its beautiful beaches, historical attractions, and exciting nightlife, Miami Beach offers the perfect spot for vacationers looking for the perfect combination of relaxation, luxury, and recreation.

Art Deco District

One of the most popular sites to check out while in Miami Beach is the world-renowned Art Deco district. Contrary to popular belief, the district was not named after a person. It comes from the famous Art Deco movement that spanned from the 1920s through World War II. The Art Deco design movement grounded primarily in geometric shapes, and it influenced architecture, industrial design, interior design, fashion, film, painting, and graphic arts on a global scale. In its prime, Art Deco style was an ultra-modern aesthetic. It was listed on the National Register of Historic Places back in 1979. Miamiâ€™s Art Deco district is home to the largest number of historical Art Deco condos in the world. It is known for buildings with bold pastel colors and intricate architectural details. Whether or not the Art Deco style fits into your personal aesthetic, there is no denying the beauty of the buildings in this district.

The most popular section of the Art Deco district falls on Ocean Drive, Collins Avenue and Washington Avenue, from 6th to 23rd Streets. The best place to begin your tour is at the Art Deco Welcome Center on Ocean Avenue. The center offers a number of paid, guided tours, or you can set off and explore the area on your own.

In addition to its striking colors and bold architectural statements, the Art Deco district is also home to some of Miamiâ€™s best shopping, dining and nightlife hotspots. Day or night, there is no shortage of things to see and do in the area.

As you search for hotels in Miami Beach, location is key. If youâ€™d like to stay close to the Art Deco District hotels in the area will put you just minutes away from the cityâ€™s best attractions. And because a trip to Miami wouldnâ€™t be complete without easy access to the ocean, look for hotels in Miami Beach with not only a view of the water, but their very own private beach to offer you the ultimate in relaxation. And with full-service European spa services and on-site world-class dining, you will truly be able to enjoy a life of luxury in Miami.
