Article published on March 7th 2012 | Travel

Known as the birthplace of the first English child in the New World, as also has the home of the Wright Brothers' first flight, the Outer Banks has been attracting people since the colonists first landed in the 1500s. Rolling sand beaches, welcoming waters, and a wide variety of attractions make this one of the best places in the U.S. to take a vacation. It only makes sense that it is the place to honeymoon! No matter what your interests are, there's an accommodation and activities of every type to make your honeymoon picture perfect.

Serenity and Solitude Abound

Looking to spend your honeymoon as just the two of you, tucked away from the rest of the world? Making arrangements at any one of the many Outer Banks vacation rentals makes perfect sense. Whether it's a small beach house or a rambling, multi-floor palace, there's a rental that will suit your needs. Have your morning coffee on your private deck and watch the sun rise, or sleep in and catch brunch before either heading out to sight-see, or returning to your personal getaway. Numerous bed and breakfasts are also available on the islands of the Outer Banks, where you can have your breakfast served to you in-house before starting your day. Whatever your preference, you can easily find the perfect private hideaway with Outer Banks vacation rentals.

Living in the Lap of Luxury

Searching for something that says, "We're on our honeymoon!"? Booking one of the many Outer Banks wedding suites is just right for that couple who wants it all: champagne, chocolates, flowers, and the luxurious amenities of a grand honeymoon suite!

Still want the suite but also want to stick to a budget? Most hotels and resorts have suites available in any price range. The great thing about the Outer Banks is the flexibility to accommodate all visitors. So, large or small, champagne or simply a bottle of wine, you can find it in Outer Banks wedding suites!

Choosing your Location: History Buff, Adrenaline Junky, or Relaxation Station?

No matter what you desire to do while you're on your honeymoon, the mainland and islands of the Outer Banks have it all. Visit the Northern Beaches for dining and shopping interspersed with visits to the Wright Brothers Memorial and Museum in Kitty Hawk, touring the haunts of such infamous pirates as Blackbeard in Nags Head, or hang-gliding at Jockey's Ridge. For a more private, small village experience, visit any one of the towns on Roanoke or Hatteras Islands. Whether it's an energy-packed getaway, or a relaxing beachside retreat, you can't go wrong on the Outer Banks.
