Planning a Holiday trip to Gangtok? Know about the hotels in Gangtok to Facilitate your planning process by Julia Ana

Article published on June 23rd 2012 | Travel

Gangtok is a famous hill station in the north â€“eastern part of India. Gangtok has the largest hospitality industry as the basis of Sikkim tourism and is the capital of the state. Hence, the hospitality of this hill station is something to really look forward to. Just for enjoying the hospitality alone, many people pay a visit to this state almost every year. Thus, it can be clearly understood that apart from having hills, mountains, scenic, and natural beauty, Gangtok is also famous for its hospitality. The presence of a line of Hotels in Gangtok provides testimony to this fact.

Here, the local people are well behaved, honest persons who are ready to help tourists round the clock for whatever issue the help is required for. With the Kanchenjunga Mountains circling this place, Gangtok gets the impression as the abode of God. Gangtok has got a pass known as Nathula by pass which leads to the boarder of India and China. This pass is opened for visitors or tourists only once in every year. Gangtokâ€™s cottage industry too is worth mentioning in this context. Gangtokâ€™s economy is based on this cottage industry, tourism industry. Some local also engage in making wines which are lip smacking. Gangtok has no manufacturing or production industry. So, it will not be wrong to conclude that Gangtok considers its visitors round the year as its only source of income and hence, gives its best to provide them every sort of comfort and privilege. The hotels in Gangtok have a huge contribution towards the stateâ€™s economy. There are a good many number of hotels in Gangtok, and one is as good as the other.

The hotels in Gangtok have every sort of facility required by the tourists so as to provide comfort to their stay. There are various ranged hotels in Gangtok. One can choose from the variety as suitable to his budget. But as widely known, higher the price, higher is the luxury and facility on offer. Bookings in these hotels should ideally be made in advance to the journey because of the risk of having no accommodation. The peak rush time in the hotels of Gangtok is mainly the summer season but nevertheless it has been also observed that unavailability of accommodation happens in the winter season as well. So, in either seasons advance booking is recommended. The hotels in Gangtok have guides of their own to guide the tourists throughout their stay in Gangtok. So start packing for a visit to this great place.
