Girls love to have fun once in a while. So why not plan a hen do It is a nice way to have great fun and an exciting time. However you have got to plan well in advance for a hen weekend. There are numerous details that you have to work out so that you can enjoy your party to the fullest.

The first thing that you have to decide on is the venue. You will have lots of options here but it is better to choose a venue that is popular. Hen time is an occasion that demands all round entertainment for girls and hence the venue should be able to provide you that. There should be shows, games and music. The food and beverage should also be great. After all you will be partying till the wee hours and therefore there shouldnâ€™t be any shortage of food or drinks.

Next on the line are costumes and accessories. Make up your mind as to what you and your girlfriends will be wearing during your hen weekend. Most girls go for trendy stuff but there are also popular costumes to choose from. You can dress up like a policewoman, a sailor or a fairy. You can team your costume with matching accessories like bunny ears, fairy wings etc. Just imagine the fun when you all dress up in a similar way or differently.

To get the most out of your hen get-together, always plan ahead. Make venue reservations well before the event. The costumes and accessories too should be bought or taken on rent days before your hen weekend. It is better not to leave anything for the last moment because after planning out the entire event you surely donâ€™t deserve to get disappointed. It is all about having fun and enjoying and planning ahead will help you achieve your objective. Have a great time!
