Points that should be considered before availing car rental services

by Roger Lopez

Article published on February 13th 2012 | Travel

There are different reasons for which you hire autonoleggio services. It can be a long trip to any location within or outside the country or wedding, business trip or any religious ceremony. In all these cases, renting a car is the best option because it gives you the freedom to visit an adventurous and exciting place that you might miss if you use any public transport. Before renting a car, some of the points should be considered, these are as follows:

There is a wide range of cars available these days, including different models as well as different sizes of cars. Do you this reason, you should yourself know, which car you want to hire rather than opting for the wrong one. If you are travelling with your family then you should hire a bigger sized car but if only two persons are travelling small car is the perfect choice.

â€¢ Before you sign the agreement, it is advisable to make a complete daily routine of your car that includes checking or air in the tyres, cleanliness of car, to know where extra tyre is available and many more.

â€¢ As per the rules and guidelines of renting cars, minimum age of a person, who is renting a car should be 25 and if the person is under 25 than he might have to pay some extra fees. At some places, person who is under 25 can hire a car. So, it becomes mandatory to check the rule of that place.

â€¢ You should also ask that whether any other person like your friend or relative is eligible to drive the car or not, because sometimes only that person can drive a car, who has signed the document. If you ask in advance that whether any other person can drive a car or not then it would be beneficial for you. It is because of the fact that if any accident occurs than that person who is driving a car has to pay the cost. In case, the person who has rented the car will be paying the cost than it can create problem for you.

â€¢ It is advisable to ask in advance that what would be the extra charge because in some cases if you exceed after certain mileage then you would need to pay some extra fees. You also need to return the car with that much amount of fuel, which was in the fuel when you took the car.

â€¢ It is also very important to check all the documents before availing the services of a car renting agency. If you are hiring a car outside the country than you need to have a photo identity proof like passport and also international driving license. Whenever, you are driving in any foreign location then you can need to keep all the things handy. All these documents will also be checked by a car rental agency, to check that whether the person is eligible and is legal to drive a car or not.
