Article published on January 9th 2012 | Travel

Jim Corbett National Park is one of the favorite places for the wild life and nature lovers. In this park the most favorite activity for the wild life lovers are Elephant Safari and the Jeep Safari. In this park the tourists will get the opportunity to enjoy the company of more than 600 birds, 25 reptiles and 50 mammals. This park is also known for Indian Tigers and Elephants. Apart from these animals there are various other animals in this Jim Corbett Park. This place is also famous as a bird-watchers paradise. Tourists should make a plan to visit Corbett National Park from mid October to mid June. Even during the weekends, this Corbett Park India remains overcrowded. You are allowed to explore the park before sunset only. After the sunset the park is closed and no night driving is allowed. The main accommodation centre in the wildlife sanctuary is Dhikala forest lodge.

Thousands of tourists visit this park in order to enjoy Safari at Corbett and also to explore the flora and fauna of the park. In order to enjoy Safari in the Corbett there is a specific zone as well as specific timing. The timing of the Safari depends upon the type of the safari, safari zone, season and also on the related authorities of Corbett Tiger Reserve. In Jim Corbett National Park you can enjoy different safaris like Jeep Safari, Canter Safari and the most favorite for the wild life lovers an elephant safari. In order to avoid any type of inconvenience, most of the people go for Online Safari Booking in Corbett. For online booking you have to provide detail information about the tourists interested for safari ride and the type of the safari to the authorities of the park well in advance.

Another attractive thing in Jim Corbett National Park India is fishing. Here tourists enjoy fishing along with cool refreshments and hot meals. Here you will gather some unforgettable moment of fishing. Fishing lovers can easily spend their 3-7 days in this pleasant atmosphere for fishing. But before you visit this park for fishing, you must gather some important information on the season of fishing and also on the best time for fishing. Usually the season of fishing opens on the 15th of September and it remains open till June 1st. the best season for fishing is from mid September to mid November. Tourists from different parts of the world visit the National Park and enjoy fishing in Corbett a lot.
