Rome is the capital of Italy and the country's largest and most populated city and commune. Rome is located in the central-western portion of the Italian Peninsula, on the banks of Tiber River within the Lazio region of Italy.

History of Rome

Rome's history dates back to around two and a half thousand years. It was the capital city of the Roman Kingdom, the Roman Republic and the Roman Empire, which was the dominant power in Western Europe. Since the 1st century AD Rome has been the seat of the Papacy and, after the end of Byzantine domination, in the 8th century it became the capital of the Papal States, which lasted until 1870. In 1871 Rome became the capital of the Kingdom of Rome Italy Hotels, and in 1946 that of the Italian Republic.

There is archaeological evidence of human occupation in the Rome area in the ancient years. The dense layer of much younger debris obscures Paleolithic and Neolithic sites. There is Evidence of stone tools, pottery and stone weapons attest of human presence from ancient days. The power of the well known tale of Rome's legendary foundation tends also to deflect attention from its actual, and much more ancient, origins.

Religion of Rome

Rome is predominantly Roman Catholic, and the city has been an important centre of religion and pilgrimage for centuries, the base of the ancient Roman Religion and later the seat of the Vatican City and the pope.
