Heathrow is the busiest airport of London and the worldâ€™s third busiest in terms of total passenger traffic and flights. Its name is among the worldâ€™s top class airports due to the most modern facilities and amenities. The place where London Heathrow airport stands today was once a farmland of Heath Row. The London Heathrow airport is located at a distance of approximately 12 kilometers from the Central London. It is owned and operated by BAA which is a division of the Ferrovial Group.

Transport from Heathrow airport

As far as the transportation facilities are concerned, transport from Heathrow airport is available in all forms. Transportation facilities at the Heathrow airport include taxis, private cars, vans, buses, coaches and airportâ€™s exclusive Heathrow Express Train. The Heathrow airport is a pride of London and has the distinction of hosting more international flights than any other airport of the world. It sustains more than 75000 jobs directly and 115000 jobs indirectly. The Heathrow is a home to BMI, British Airways, Atlantic Airways, Virgin and many other major and worldâ€™s renowned airlines.

Heathrow airport shuttle transfer

Heathrow airport shuttle transfer services operate 24/7 to and from all major locations of London for the convenience of passengers arriving and departing from the airport. The London Heathrow airport is conveniently located and is easily accessible from M4 Motorway and A4 Road. There are five terminals at the airport and Drop-Off and Pick-Up areas are available at almost all terminals. The parking facilities are easily available and include short stay as well as long stay parking lots. Although the airport provides a large room for parking yet due to the extraordinary traffic, some of the private companies have also built parking spaces outside the airport for the convenience of passengers. Those who park their vehicles outside the airport building in privately owned parking spaces are transferred to the terminals via bus shuttle transfer services.

Heathrow airport cab services

The Heathrow airport cab services can be availed easily outside the arrivals lounge. There are many cab companies who provide superior class MPVs and sedan taxis for airport transfers to all locations across the city of London. The Londonâ€™s Heathrow airport hosts more than 90 airlines flying to 170 destinations across the world. The people, who travel to UK especially to London, prefer landing and departing from the London Heathrow Airport. There are facilities for all kinds of travelers including solo travelers, families with kids, businessmen, corporate travelers and disabled travelers. There are even special toilet facilities for disabled travelers at the Heathrow airport. The executive lounges and priority check-in services are especially there for the corporate class. There are special car hire desks located at the international and local arrivals lounges for the convenience of travelers.

CrossCab is one of the leading online cab-booking firms of UK. They have been providing online cab booking services to their customers around the world since more than 5 years. CrossCab has the largest network of services across the UK covering majority of the villages, towns and cities. They hire licensed, professionally trained and fully vetted drivers in order to ensure passenger comfort and safety.
