South Africa or Maldives- Versatility and Simplicity Respectively!

by Emma Dsuza

Article published on January 27th 2012 | Travel

South Africa is a very diverse continent as nature has bestowed many pleasures on human as well as animal kingdom. Rich in diamond, diversity in wildlife and mineral resources, South Africa has many excursions and Safaris to take you on a thrill ride to natureâ€™s own land. Great desert of Sahara with the versatile number of tribes with still different traditions and cultures decorate the continent but they are not the only experience of Africa to live. City people keep returning to its wildlife for their research papers, as many believe there are treasures of species and variety of plant and animal, insects etc in the land of South Africa beyond the study capacity of mere humans. Nevertheless South Africa Tourism encompasses waterfalls to lofty heighted mountains to fresh lakes different from Maldives Travel, as its only attraction is clean beaches with white sand and cobalt blue waters.

Maldives could be easily located in Indian Ocean. It is known to be geographically evolved from sunken coral reefs grown around prehistoric volcanoes that gave rise to Island finally. Incomparable natural beauty of Maldives Island draws people from every corner of the world by its sheer simplicity and hence Maldives travel provides them with a rare chance to live simple even for only few days. Traveling Maldives is unhindered as the Visa restrictions are limited to a fixed cash amount and ban of export and import of certain materials. Maldives was hit severely by both Coral bleaching and Tsunami after which they took sometime to get back on the tracks. With Maldives simple life challenging all the adventure that South Africa tourism can give one need to see what he craves for most-simplicity or adventure.

South Africa Tourism as promoted by the official website along with the excursionists who already have been there on could not easily bury the urge of taking a trip to South Africa as top 10 attractions of South Africa have been featured in many of such websites. They include includes Cape Town, Krugar National Park, Durban, Garden Routes, Eastern Cape, Wine lands, Kalahari & Namaqualand and Drakensberg. As for Maldives Travel, no one can have more privacy and a corner of their own and a piece of sandy land for the castle of dreams to build upon. Do you wish anything more for your beloved or kids?

South Africa Tourism or Maldives Travel offers best of travel choices depending upon what you need more as you rescue!
