Spend Your Vacation in Male this Summer by [Robert Connor](#)

Article published on June 21st 2012 | [Travel](#)

It would not be wrong to state that summer season is one of the best seasons which can be relished to its core. There are several reasons that contribute to the fact that summer is one of the seasons whose arrival is eagerly awaited by many travelling enthusiasts. Well, you may be among those individuals that like to get their hands on different aspects of nature when a particular destination is travelled to. With that being said, we would like to congratulate you because you have chosen Maldives to be your holiday spot this summer.

Maldives is an exceptionally popular destination where you would find millions of holiday-makers touching down to have a wonderful time. There are quite a few islands in the country that captivate the senses of the tourists as they are cornered by sandy and sparkling beaches. It's time you think about going to Male, which is the capital of Maldives.

If you want to feel the best of what nature has to provide, you should take up a vacation in Male. All the flights to Maldives land up in male. Thus, Male becomes the first and foremost point of contact to begin your journey. Male is the city that proudly boasts of its astounding tourist attractions. Those who may not be aware of the fact, we would like you to get familiar with the fact that Male was previously known as Sultan's Island that bestows its visitors with an enormous wealth of natural attractions that are worthy of your visit.

Though small in size, Male is home to several interesting museums and mosques. Vacationers just find it hard to get enough of every natural attraction as there are plenty to catch hold of. However, you should ensure that time doesn't slip off your hands when the time comes to take a glimpse of incredible places of interest. Those who are into extensive travelling in and around various parts of the globe think about Male holidays so that they can include all the attractions in their itineraries. People take flights from London to Male to pay a visit to various highlights that take their breath away like National Museum, Sultan Park, Grand Friday Mosque and the list goes on.

If we talk about National Museum which is one of the prime attractions in the city of Male, it is home to priceless memorabilia dating back to the olden times when the Sultan was in extreme supremacy. You can also move to the fish market and the fruit bazaars as well. There are many restaurants that offer seafood and a wide array of local cuisines.
