Indulge in the plethora of fun filled activities and never cracking adventures that will leave you high spirited all along your holidays spent in this enthralling city. World renowned holidays, stunning cultural performances, resounding nightlife, and tranquil parks are all you will get to experience in this Malaysian capital.

Sprawling Attractions

Batu Caves Kuala Lumpur: Plan your fascinating and exciting holidays with Direct Flights to Kuala Lumpur and head to the 11 kilometres to the north of Kuala Lumpur to the amazing Batu Caves. These caves are made of a limestone hill which comprises of three foremost caves and a number of smaller ones. This attraction spot is most visited by travellers from around the world to sight the 100 year old temple featuring the idols and statues erected inside the main caves and around it, a major tourist spot for the Hindus.

Bukit Nanas Forest Reserve: Earlier known as the Bucket Weld Forest Reserve. Bukit Nanas Forest Reserve is one of the most former permanent forest reserves in KL. This reserve hosts a welcome bit of verdant land amidst the clattery cosmopolitan. Being sprawled 11 hectares it is the only left tropical rainforest in the heart of the magnificent cosmopolitan. Enjoy the soothing walks in the well maintained trails after landing with Direct Kuala Lumpur Flights.

Butterfly Park: The Butterfly Park is nested in Lake Gardens and is an open house to more than 6,000 butterflies from 120 diverse species. It hosts a personified landscaped of bushy garden and full of vibrant budding flowers and mesmerising butterflies floating and coasting the garden and people. Besides this one can also sight other species of insects in the park.

KLCC Park: The KLCC Park is a fantastic and spell bounding masterpiece conceptualized by the world acclaimed Brazilian landscape artist, the late Roberto Burle Marx. Take Direct Flights to Kuala Lumpur and rush to the fascinating KLCC Park which is spread across the 50-acre of urban area in the heart of the cosmopolitan. The mesmerising laid park is one of the main highlights of the city and allures visitors with it spectacular and charming dancing water fountains at the Lake Symphony, considered by many as a work of art on its own. This park is a home to around 1,900 trees and plants from 74 indigenous species. Jog or walk around the specially prepared trails and tracks in the park accompanied with a two-acre childrenâ€™s playground sprawled and a 43-metre elevated bridge that provides a advantage to sight the twin towers.

Lake Gardens: With Cheap Direct Kuala Lumpur Flights one can head and roam in the amazing and becharming Kuala Lumpur Lake Gardens. This area is also recalled as the Taman Tasik Perdana and is nestled amidst the calming and soothing area of the secondary forest in Perdana Street. It is an ideal spot for recreational activities and is much like a botanical garden hosting many budding and beautiful flowers, exotic plants and verdant tall trees landscaped into the park.
