The London Bridge 4 star central London hotel by Julia Bennet

Article published on April 7th 2012 | Travel

London Bridge is a 4 star central London hotel where the leisure tourist finds a holiday resort and the executive business man finds an ambient environment for business. Rated with 4 stars for quality service, this central London hotel is ready to give a jolly experience to anyone visiting Central London for the first time. For a different and unique London experience, check into the London Bridge Hotel and have fun with the modern artistic designs engraved on an ancient classic background.

As a hotel with great business facilities, London Bridge Hotel forms the ideal destination for hosting business talks as well as teleconferencing. The Central London hotel has ample and well spaced rooms to hold dozens of corporate rooms and well equipped suites for international teleconferencing. Right after sealing those business deals, you and your colleges can have an exclusive dinner at one of the private business diners in the hotel. The private diners become a private business gateway where pleasantries and business cards exchange over a continental cocktail drink.

The leisure tourist is looking for a way to escape the paper work and have some quality time while visiting central London. No doubts he will need a place to stay as he plans his tour escapades; with a 4 star central London hotel like London Bridge, the guest is spoilt for choice. The Central London hotel offers an array of private suites, rooms as well and apartments; all fully furnished and courteous room service on call 24/7. There is a world of fun outside the room as well; London Bridge Hotel boasts of a modern restaurant and drinking lounge where you can relax and sip your favorite drink as you enjoy the ambience.

The natural scenery around the 4 star central London hotel is an icon of vibrancy and liveliness as you stay in at the hotel. Enjoy the lovely view of the River Thames as it snakes its way through the city passing right outside the Central London hotel on the Southern bank. The London Bridge Hotel is privileged to be strategically placed at Southwark; an area credited with numerous art galleries, art museums and theatrical edifices. Whenever you want to get away from the ambient atmosphere of the hotel, just take a stroll outside the hotel and visit the center of art in Southwark; watch the history of Central London unfold to you in professional art.

There are lots of things to do in Central London and places to visit; let a 4 star Central London Hotel like London Bridge be your usher to this life of tourist amusements.
