Corporate themed parties are organized with a dual purpose- enjoyment and motivation. These parties are triggered towards better bonding between employees and invites originality among everyone. These themed parties are not boring as the corporate parties and everyone enjoy this kind of events. We are going to discuss some of the best ideas for themed parties.

1. Arabian Nights: This theme is suited for a summer evening and some of the important points to be considered are sand dunes, desert appearance, rich fabrics and soothing music. You can use harems for decorations and pay special attention towards drapes and cushions. You can even ask the female guests to come up with belle dresses for a funny evening. The main food for the party would be spicy meat dishes with creamy cocktails and rice served with food.

2. Cocktail Party: The main attraction of this theme is to implement a James Bond Style party. Make sure to provide details of the dress and organize games and activities accordingly. It is important to give a classic appearance to the party hall and it would be great if you can hire some waiters for serving. The main attention will be on cocktails and you should try to come up with different mixtures and choose canapÃ©s as the main food item.

3. Flashback Party: 70s flashback party is best suited for corporate themed parties and it is the best time to enjoy the Bee Gees. The main attraction of this themed party should be towards disco balls, many lava lamps, psychedelic clothing and anything to suit the party. The menu should be filled with typical food items provided back in those days. Flares of different colors can add flavor and style to your themed party. You can even prepare invitations with disco tattoo on it.
