Travel Coupons and Clothing Coupons for Online shopping India by [Coupon Codes](#)

Article published on April 20th 2012 | [Travel](#)

Online shopping seems to be the new buzzword in India. Just like their western counterparts Indians today like to shop from the comfort zone of their home. The growth of the online shopping domain has been little slow in India earlier due to low Internet penetration rate and also the traditional psyche of the consumers who like to "touch and feel the product". However with rapid increase in internet penetration and some special value added services like cash on delivery by ecommerce stores was successful to bring an inevitable paradigm shift from traditional shopping arcades to virtual platforms. Indian ecommerce industry is dominated by travel sector followed by retail sector. This article will guide you in saving money by giving you information about getting big discounts using travel coupons and clothing coupons from top Indian e-commerce stores, all you need is the an Internet connection and an appetite to buy online!

Travel Coupons

Travel coupons are essential to get some extra discounts whenever you are planning on going on a vacation with your family or for a business trip or a weekend trip with your friends. These days traveling expenses have really sky rocketed but thankfully, the advent of travel coupons has made travelling somewhat cheaper to travel especially when you are on a budget. With help of travel coupons, you can get pretty good discounts on Hotels, Airtickets, Holidays, restaurants ,guest houses, inns, Car rentals and other service that a traveler will need while he or she is traveling. In India all top online travel agencies like makemytrip, yatra, expedia, Cleartrip coupon , via,ezeego provide coupons from time to time. To get yourself updated about all these coupons and special offers from these Online travel agencies you can simply join email list of your favorite coupon website or just search for these coupons using search engines like google or yahoo.

Clothing Coupons : Clothing is something that you continuously need to buy and it also constitute a significant chunk of your monthly expenses, that why it is always a good option to be wise by using clothing coupons to get up to 50% off on your clothing bill. By using these discount coupons you can avail big discounts on all popular and also the most expensive brands. In India top e-commerce stores like Yebhi, Jabong, Zovi, Myntra etc provide their customers with clothing coupons by which you can loads of money on thousands of popular brands. You can find these coupons by searching using search engines like Google or yahoo. Just type merchant name and add keywords like coupon, coupon code, promo code, voucher code etc to search these codes. For eg. Yebhi Coupons, Myntra Coupon Codes, Jabong Promo codes. To get yourself updated on a regular basis with all coupon codes from your favorite stores you can simply join email list of your favorite coupon website.

Sometimes you also need to shop before a particular date because most coupons have an expiry date. It is therefore important to take notice of expiry date and make sure you use your coupons prior to that date, remember a coupon wasted is money wasted!
