Traveling through the gates of Stansted Airport by [Jocasta Marvin](#)

Article published on July 11th 2012 | [Travel](#)

If you are planning to travel to London from any part of the world, Stansted is the largest base for low cost carriers. The airlines offering economical and budget friendly air fares at Stansted include Ryanair and EasyJet. Ryanair is also known as low-cost giant because they offer prices which can easily suit anybody's budget. Aside from this, they also offer cheap national as well as international flights. In the competitive world of today, everybody's looking for cut in their budgets therefore low-cost airlines are greatly in demand. Traveling through the gates of Stansted Airport would not only save you money but it is also very convenient to choose Stansted as your place of origin as well as destination for London. Although the distance of Stansted Airport from the Central London is approximately 30 miles yet it's worth the facilities and discounts you get at the airport. Getting to London after landing at Stansted is not a hassle as Stansted airport transfer services are available 24/7 meeting international standards. There are facilities at the airport for all kinds of travelers including solo, business, corporate, families and disabled travelers.

Transport from Stansted Airport

Getting any kind of transport from Stansted Airport is a hassle free procedure so if you are planning to land at Stansted, you don't need to worry about how you will get to your destination. Whether you need to get to your residence in London or to a hotel, transport from Stansted Airport is also available at cheap rates just like the air fares. There is a special train service "Stansted Express" which is dedicated for transferring passengers at Stansted airport to and from Liverpool Street Station in London. It travels every 15 minutes from airport's train station and reaches central London in a time of 45 to 60 minutes depending on the time of travel. It takes a maximum of 60 minutes only during peak traveling hours. Aside from train service, the buses and coaches provide nonstop dedicated services from airport to all major cities of UK.

Taxi from Stansted Airport

Taxis and private cars are the need of every passenger who travels to a new location or to a location where he does not live permanently. Millions of passengers, who travel to the Stansted airport every year, hire private cars and taxis depending on their requirements and ease. The renowned and established taxi companies of United Kingdom provide airport cab services. They offer you to instantly get your taxi or car on your arrival at the airport or to book a taxi or car online via website or mobile phone. This provides you relief from the worry of getting transport from the airport after arrival. CrossCab is one of the most renowned UK's taxi and car hire firms. They are known as the ground transportation giants around the country due to their largest ever fleet of vehicles. They provide taxi from and taxi to Stansted airport at cost effective rates. Their drivers who are licensed and fully vetted make sure that you get to your destination with comfort and safety.
