Useful Information on London to Sydney Flights by Kevin Thomas

Article published on January 23rd 2012 | Travel

Sydney the capital city of New South Whales province of Australia is a very famous tourist destination. It is a modern metropolis and posses all the elements of a modern civilization like monuments, architectural marvels, sky scrapers, gardens, parks, museums, art galleries etc. Along with these tourist attractions the city also posses many breadth taking natural land capes which further beautify the look of the city. Thus the city is a combination of modern elements and natural heritage which can be visited by the travelers of Flight to Sydney. The most significant picturesque natural locals in and around the city are the Blue Mountains, the Hunter region, Tasman Sea, Boondi Beach, Port Jackson etc.The Blue Mountains situated in the central parts of the Sydney Basin extends from the Nepean River in the east to Coxs River in the west. Built of sandstone plateaus the whole region is bisected by many gorges at many places. It is a world heritage site consisting of seven national parks and a conservation reserve ready to be explored by the tourists of Flights to Sydney. With an altitude of 1,215 meters the Mount Werong is its highest point. The Hunter region also called the Hunter valley covers a very large area. It is a very majestic natural destination as it contains the Hunter valley with its numerous tributaries and contrasting highlands situated to the north and south.The Tasman Sea named after the Dutch explorer Abel Janszoon Tasman, is a water body between the landmasses of Australia and New Zealand. The sea also called â€˜The Ditchâ€™ is 2000 kilometers in width and 2800 kilometers in length. The city is also surrounded by many beaches the most famous being the Bondi beach. Also called Bondi Bay many tourists of cheap flights to Sydney from all over the world throng this destination to enjoy the sun, sand and surf. The beach hosts many events such as the City to Surf Fun Run; Flickerfest, an international short film festival; World Environment Day; Sculpture By The Sea competition; beach volleyball etc. the beach is a favorite holiday hot spot during the festive season of Christmas and New Year when the beach is filled with many shops.The Port Jackson containing the Sydney Harbour is a very beautiful natural harbor and is frequently visited by the travelers of Sydney flights. Known for its majestic beauty, the man made architectural marvels like the Sydney Opera House and Sydney Harbour Bridge further add to its elegance. The port also has great historical significance as it was the first site of European settlement in the Australian continent and contributed in a major way in the history and development of Sydney. It is the location for the Sydney New Year's Eve celebrations and also hosts the Sydney to Hobart yacht race.
