Article published on May 19th 2012 | Travel

Uzbekistan is an ancient city in central Asia, which shares a vast history of vivid rulers, kings and people who have lived their hegemony. If you even intend to take a tour to Uzbekistan, be ready to witness the archaic beauty and remnants widespread ancient dynasty. The place is rich with Turkic, Persian and Samanid culture. The place was a part of the earlier Russian empire (USSR), thus the splendors of it can also be seen in the Uzbek way of life.

The place is not very modernized or technically judicious, the economy still leans heavily on production of cash crops such as cotton, gold, potassium, uranium, and natural gas. Islam is the most widely practiced religion in Uzbekistan.  Tashkent is the nationâ€™s capital city. It is also interesting to know that touring around Uzbekistan is great fun, since it has streamlined and easy transportation facility.

We mean, Uzbekistan is the only city in Central Asia to have one of the fully developed, neat, clean and tidy subway systems in the world! You could plan a tour to Uzbekistan without waiting a minute more, if youâ€™re an ardent lover of music, literature, antiquity and culture. The cultural intermingle and the traces of many cultural groups can be vividly seen in their lifestyle. You could also tour Bukhara to see the historical monuments, archetypes, buildings etc.

The place is very high on literacy, since over 88% people above the age of 15 can read & write to maneuver their daily bread and butter.  The universities churn out around 600,000 graduates annually. The place is likewise rich in art, music and culture. There were many classical art and music forms that originated here. For example, Shashmagam arose here in Bukhara in the late 16th century. This was legendary as the concept explained the six routes to the music that was played.

Sufism, Persian quotes, and temperant way of life still practiced by many helps people in learning the calm and moderate way of life that is still practiced by many in Bukhara.  Persian traditional music finds its roots here. Tour Uzbekistan to also unleash the vast and vivacious magic of Sufi poetry, the Sufi poetic dictions are sought after, cherished and loved by innumerable people all over the world. It is known as one popular way to touch the divine in this Universe. Many styles of folklore and music is also popular all over the world.
