South Africa is nothing less than a heaven for travelers. The wild life of the country seems to be undiscovered as ever. Every year thousands of wild life photographers, film makers, wild life researchers etc. gather around the place. Even people with sheer enthusiasm and hunt to explore the unexplored come to this region to taste some raw feel of life. South Africa welcomes you with a lot more than you have ever thought of. In case you are also planning to discover South Africa it advisable to plan your trip from the scratch.

If you are in South Africa, Kruger National Park is a place you should not miss. The park stretches out to an impressive 90 kilometers going East to West and an outstanding 360 kilometers from North to South. This is actually an open place for wild animals and you can see them roaming around. But itâ€™s important that you see them from safe distance and do not go close to them without accompanied by any professional. You can easily find ample number of travel companies offering alluring Kruger park safaris. And if you will choose the best season to visit the place, you may end up enjoying few alluring deals. But obviously, you can visit Kruger at any point of time in the year; it will not disappoint u anyway.

If you are a backpacker, South Africa has got lot to offer you. Place like Nelspruit, backpackers will love to visit as they can get amazing accommodating destinations as well as endless places to enjoy trekking. You can even plan your holiday and look for organizations offering 3 days safaris or something like that. Make sure you take out the full pleasure out of your tour.

If you are looking for Budget accommodation in Nelspruit, there will be nothing better than Old Vic Travellers' Inn. You can get budget rooms, dormitories, sharing rooms, self catering system etc. which can help you to save a lot of bucks. Old Vic also offers tastefully furnished en suite having separate bedrooms making sure you get the best place to rest after a long and tiring day of travelling and exploring.
