Weekend Marbella Offers all the Fancies You are Looking for by [Julia Roger](#)

Article published on May 22nd 2012 | [Travel](#)

Perhaps you are looking for an ideal destination to anchor your stag dreams. Then, look no further than a weekend marbella holiday, which has the most romantic beaches to offer you great sightseeing and romantic things on the beaches. Over the years, the beach of Costa del sol has remained the reason of attraction to thousands of tourists from round the world. From celebrities to commoners, everyone loves to rush to this land, which has so much to offer.

Cool down

Cool down- this ought to be your mantra if you are in Marbella. A weekend Marbella throws you on the other side of life, free of tensions and worries. There is so much to that life that you will find it a non-stop saga of happiness and merriment. There is a Spanish feel in the air of Marbella.

When it comes to looking for accommodation, there is no way you ought to feel discouraged since the place has cheaper hotels studded with modern facilities. It is like gaining a good hotel within your budget and still keeping your stay pleasant.

Those who are bachelors and looking out for an ideal stay ought to know that Marbella has everything that you are looking forward. The place has a subtle charm to it that you will not love to miss.

When it comes to special dishes, Marbella has it for you since there are many popular restaurants offering varying dishes, which are the special treats to your tongue. You would love to dig in the delicacies and at the same time love to have special types of drinks. Thus, as alternative stag weekends, Marbella has it for you.

Rush to the place and treat yourself with fancies. You will find Marbella taking a perpetual shelter in your mind.
