Kerala Tourism

A much sought-after destination for tourists in India and abroad, Kerala is named as one of the â€˜Ten Paradises of the Worldâ€™ and â€˜Fifty Places of a Lifetimeâ€™ by the National Geographic Traveler Magazine. The alluring serenity of this place leaves every tourist spell bound, making them come back year after year.

With sprawling properties, combining modern and traditional architecture in breathtaking exotic islands, luxuriant game reserves, mist-laden hills, palm-fringed beaches and tranquil backwaters and greenery in profusion. God has generously bestowed this land with the bounties of nature and so it only seems natural when Kerala is referred to, as Godâ€™s own country.

Kerala "The Green Paradise on Earth", is a popular tourist destinations draped in an evergreen beauty of nature. Blessed by all the expressions of nature, this beautiful state of India is gifted with unmatched beauty of hill stations and picturesque backwaters, a necklace of lagoons lakes, canals and rivers that run through the length and breadth of this beautiful land.

Be it the sun-kissed beaches or the misty hill stations; the rhythmic backwaters or the forestlands rich with all varieties of flora and fauna; pilgrim centres or historic monuments; Kerala has everything you might travel far and wide to see. Just one visit and you will know why Kerala has the lovely epithets attached to it.

Above all Kerala Tourism is truly unique and unmatched that has fascinated tourists from all over the world. Every year a large number of tourists not only from India, but from abroad come for Kerala tour to enjoy their vacation in this evergreen paradise. Truly holidaying in Kerala is a lifetime experience, so come and enjoy your vacation and relish the moments forever and ever.
