It might have happen to you many times during your vacations that you do not plan what to do in the place which you are going to visit. Well if it is so, then we can say that you should change the ways of your thinking. It is because if you donâ€™t plan about it, then in the end you are likely to leave many places to discover and watch before leaving back to your home. So to stop this thing from happening to you again and to leave no stone unturned in your holidayâ€™s location, let us discuss some of the things which you should do in the beautiful place named Coorg.

Basically, Coorg is located in the district of Karnataka which is present in India. This small but yet beautiful place is covered by mountainous hills covered with lush green dense forests. Moreover, this place is especially known for its vast plantation and production of tea and coffee plants. The fast flowing River also adds extra beauty to this place. Last but not the least, this place is located more than 1000 ft above the sea level which makes all the things look more beautiful and natural. Last but not the least, the people who visit this place may live at homes of some local residents as well. However, this doesnâ€™t mean that there are no hotels in there.

To be honest, the description of this place provides us all the things to do when we visit this place. Firstly, the people who love to walk should visit the dense forests in which there are plants and trees of different kinds. The big and huge trees provide a perfect scene to take snaps and then save them for refreshing the memory of your memorable trip.

Secondly, these forests are located on the mountainous hills, so what you need to do is to take your hiking shoes and stuff with you. It is because hiking is a real fun to do but it is a bit tiring thought. However, if the purpose is to enjoy your holidays, then doing this thing is a must.

In our cities, we all know that pollution is not allowing us to enjoy the beautiful and healthful air. However, people think that the air which they take in is pure but when you will visit Coorg ,then you just need to have a walk in the planted fields of tea and coffee and then you will realize that how pure the air in your auto mobile city and Coorg. The air here in the tea and coffee fields of Coorg has a scent of these two things which makes people realize about how much natural this place is.
