Why are the 5 Star Hotels?

by Evan Nasseri

Article published on February 28th 2012 | Travel

When the tourist choices a hotel, he is guided by their stars. Hotel stars are guarantee a certain set of services for the certain sum of money. The overwhelming majority of hotels are ranged within five stars. With a choice to overpay for excessive comfort or to save on additional services faces each tourist. Let's understand, what the tourist loses without choosing 5 star hotels.

In 5 star hotels there is all. Having paid from $200 for a night, the tourist will receive spacious number with a maximum of conveniences and services. In the hotels foyer there are restaurants and many places for spending a free time. The hotel fitness center is included usually into residing cost. The tourist can individually choose a power supply system at settling in the hotel. And if any service in the hotel isn't provided, it can be ordered at additional expense.

Choosing 4 star hotel, the client comes nearer to the prices around $100 for a night. The set of services includes everything that is necessary for comfortable stay in the hotel. However, it is less than glamour. If it is a an European number, most likely, there will be not a bath, and a shower.

In 3 star hotel tourist should refuse phone in number quite often. Linen change will be made time in two-three days, instead of daily. The shower in a number will be not in a separate booth, and behind a curtain. And you won't find the fitness center in such hotel, in numbers there will be no shampoos and hats for a shower, and the bar located in a hall will work only in the daytime.

2 star and 1 star hotels tourists to whom the hotel is necessary as household necessity, instead of a place for comfortable residing use hotels. More often such hotels name student's hotels. Here the tourist will find in number only a bed and a chair, about the TV and the refrigerator isn't present both speeches. A toilet and a shower will be on a floor. A modest breakfast will offer for an additional payment. In 1 star hotel bed is changed by time in five days, in 2 star hotel â€“ time in three days.

Each hotel should give to the tourist a berth in a warm premise. Cleaning in number should be daily, but in hotels to 3 star hotel it is far from the ideal. In each hotel the tourist can wash and iron clothes. If the hair dryer isn't present in number, he can to try be asked it on a reception.

Features of "stars" on the countries

Classification of hotels isn't the international standard, therefore in each country in hotels with 5 or less stars it is possible to allocate the features. It is considered that Turkish hotels 1 star and 2 star hotels concede to similar hotels in Europe. But the European 4 star and 5 star hotels lose to Turkish spacious smart locks considerably. For example, in Paris it is very close in general. Therefore the room of the hotel 4 star hotel in capital of France can appear closer, than 3-stars number in Scandinavia.

And in Seoul, Tokyo, Singapore 5 star hotels do not seldom surpass 6-stars hotels not existing almost in Europe. As Singapore is the largest business centre the Singapore 5 star hotels are possible to find there in very considerable quantity. To choose hotel in Singapore, it is possible using search in a rating and conveniences. Compare the prices of hotels in Singapore, read the description and reserve a hotel accommodation. In total in some minutes you receive e-mail confirming of having reserved the hotel number in Singapore.

Singapore is an ideal place for vacation spot and business. Service of booking of hotels offers a wide choice of the best hotels in Singapore. Whether it be the inexpensive or best Singapore hotel

on 5 stars - it is in booking system. Having arrived on rest to Singapore, there it is possible to visit Sentosa Island, Singapore National Stadium, Little India and Istana.
