When it comes to hotels, Hilton accommodations are known around the world for their high standard of quality, comfort and luxury. Hilton Hotels provide the perfect combination of luxury and practicality for all your travel needs.

Stay With the Best

Hilton luxury hotels offer the highest quality accommodations and amenities for both business and leisure travelers. Guests can enjoy fine on-site dining, complimentary 24-hour fitness centers, sales and catering teams to meet all of your travel needs, valet dry cleaning and laundry, and 24 hour state-of-the art business centers. For people who are traveling for work, these amenities offer added convenience when trying to manage business responsibilities away from home.

Whether you are spending your days in business meetings or enjoying the sites on a vacation, you will enjoy coming back to a comfortable, luxuriously decorated hotel room complete with flat screen televisions, WiFi access, and the option of the Sweet DreamsÂ® bedding package including a plush-top mattress, fine linens, a down comfortable and jumbo pillows. Hotel guests can choose from standard guest rooms to suites to meet their travel wants and needs.

In addition to comfort and luxury, there are other perks to choosing Hilton hotels. AAA members can save big when booking rooms at Hilton hotels, and state, federal and United States military employees also receive discounted rates when booking their stay. Hilton also offers advance purchase rates for travelers who are able to book their trip in advance. Pre-planning can save guests up to 20 percent off of Hiltonâ€™s best available rate when booking in advance.

Customer Rewards Program

Travelers also have the chance to save while they spend through the HHonors Program. This program is the only hotel guest reward program that gives members the option to decide how to earn their hotel points or airline miles at over 3,750 Hilton hotels around the world and 50 participating airlines.

Guests can earn points for HHonors through one of three participating credit cards, two of which do not have an annual fee. By simply using the HHonors credit card for everyday purchases such as food, clothing and gas, you can earn big points toward your next stay at a Hilton or toward airline miles. HHonors also offers special promotions such as the ability to earn 1,000 Bonus Points for every night you stay at a Hilton, plus an additional 5,000 Bonus Points for every weekend stay of two nights or more.

No matter what your reason for leaving home, Hilton hotels offer comfort, quality and perks for every traveler.
