Why hotels in hamburg city are so popular. by [Aliwal Tond](#)

Article published on February 7th 2012 | [Travel](#)

Every year, throngs of people visit the famous city of Hamburg, the motive extended from business, employment and vacation. It is not only Northern Germany's major port, but also regarded as one of the world and Europe's most important harbor.

Also known as The Gate to the Western World, this city offers great boom to the hotel industry. Currently, it has something to offer for everyone, whether it be an economical guest or luxury seeking one. Today, both luxury and cheap hotels hamburg city have their share of visitors who want to taste a piece of one of European Union's richest metropolitan area.

With the passage of time, the city has developed into an international one not only because of the international trade but also because of the political dimensions. The city is one of Germany's most important media hubs and one of the most sought after investment as well as retirement homes in the world. In fact, as an independent city state inhabited by 1.7 million people, it is now the 2nd largest city of Germany.

Most of the cheap hotels hamburg city are privately owned and are operational for over 30 years now. They are famous for offering a special ambiance and excellent individual services to guests, especially to seafarers. They have fully furnished guest rooms with a bar at the top floor. Different packages are available extending from two nights with a buffet breakfast and a bottle of red wine from to a week's package which also include three course menu at the port restaurant. The cost may differ from EUR 290 TO EUR 386.

it is true that cheap hotels in Hamburg don't really come cheap, yet they can be your best bet as most of them are situated near the international airport. The area is quiet and peaceful immersed in green belt city center, main station everything else. Guests are provided with shuttle services to/from airport, a sumptuous organic breakfast, AC units, 24-hour front desk, bar, luggage storage, shoe shine machine and a business center.

Keep in mind that their fares vary significantly. The prices also rises in the month of summer. Especially during trade fares and all the other important festivals, finding affordable accommodations or cheap hotels hamburg city can be very difficult.

If one is planning to visit Hamburg around such time, make sure to reserve the seat in advance. Make use of the Internet and browse through cheap but good hotels which not only offer great facilities but offer then at very affordable prize. This way, you will not have any regrets.
