05 Tips Before Buying Holiday Tours Online by Services International

Article published on December 10th 2011 | Travel Tips

1. Tour Budget- Most of the web-site does not contain rates, so you need to query at least three services provider to get best rates. One website called India-TravelPackages.com is a place where you can check rates online. You can change hotel, add more nights in any cities and the most beautiful part is rate change instantly in real time. This helps you in budgeting the tour.

2. Must check about the physical presence of service provider- It is always advisable to check whether the service provider has any physical presence or not. Many online company operating only online and query responded through call centre, where the information is limited. In case of any hurdle during the tour you need company expert suggestion or assistance.

3. Customer reviews- This is the most important part while buying anything online. Guest reviews reflects the image of company. It is recommended to check the recently posted reviews of travelers used the service of that particular company, most of the companies website has this section available to guest to post their experience.

4. Approved service providers- In todayâ€™s date, all the information is available on the internet. So why use only an approved company? The most important reason is security and safety. Approved travel agent is licensed by the Department of Tourism, Government. In case of any valid complaint, the license can be cancelled..

5. 24x7 support- Must check whether this service is available or not before booking.
