Majestic & Massive! There are very few holiday destinations worldwide that manufactures the kind of awe in the travellers that is done by the humongous country of Australia! With a tapestry of resplendent charms, Australia bewilders the rovers and treats them with a fine show of brilliance.

Get a fleeting impression of the countryâ€™s three cities that are perhaps the biggest charmers that tempt vacationers into looking for air cheap flight tickets to Australia.

Brisbane

Fresh! There is perhaps no better word to describe the brilliant city of Brisbane! Optimism reigns high in this part of the world as a sense of adventure takes over the body and the fine spread of tourist delights mesmerises the souls. Australia Zoo, Story Bridge Climb, Lone Pine Koala Sanctuary, Mt Coot-tha and Lamington National Park are some of the glittering jewels that make up the necklace of attractions in Brisbane! Taking part in some adventure activity or other is also a de rigueur after booking tickets to Brisbane.

Brisbane has created a sort of niche in Australia by the virtue of its culinary knowhow. Imaginative and inventive dishes are prepared to ensure that tourist have anything but a dull eating out experience here.

Brisbaneâ€™s nightlife is another glowing feature that decks up the shores of this fine tourist destination. Night revellers would find that tickets to Brisbane are as close as it gets to finding keys to a pleasure dome!

Cairns

While others may flaunt their contemporary lures, Cairns thrive purely on its natural splendour! Ravishingly beautiful, Cairns seems like an artistâ€™s rendition that has been given the brush of reality!

Gateway to the world-renowned Great Barrier Reef, the city of Cairns offers a cocoon of tenderness that allows the tourists to sample some of the worldâ€™s most invigorating and fulfilling water activities in a safe manner. Be it snorkelling, diving or sailing, tourists can surely rely on this city to offer them the very best! No wonder, cheap tickets to Cairns are loved by adventurers!

Sydney

Sydney has a lot to offer to tourists who plan holidays in the city. In fact, there are not many cities that compare to this shimmering metropolis when it comes to the abundance of tourist trappings! Undoubtedly the biggest Australian temptation, Sydney engulfs the imagination with attractions like Harbour Bridge, the Rocks, Circular Quay, Opera House Sydney, the Royal Botanic Gardens, Art Gallery of New South Wales and Australian Museum.

Not many would like to contest the claim that Opera House Sydney remains the biggest draw of the city! An architectural landmark and an iconic structure, Opera House Sydney is one of worldâ€™s busiest art and cultural centres.

Sydney also impresses the most discerning of sybarites with its fine display of shopping options. Be it world class shopping centres, designer boutiques, department stores or speciality shops â€“ this

Australian city seldom lets the shoppers down!

Though an Australian city, Sydneyâ€™s disposition is very global! And nothing brings the â€˜globalâ€™ fa the city into prominence like the food available here. From European to Indian and from Thai to Chinese, taste buds in this part of the world have experienced it all!
