Article published on January 10th 2012 | Travel Tips

The natural population growth have now caused an increase in Australia immigration over which 40% of the people were born outside the country or have at least one parent who was born in Australia. This makes Australia a truly country of immigrants and it continue to welcome migrants who can contribute to the economy and well being of the country.

Arriving to Australia without any accommodation or transport makes it very hard to get both. The budget for 2-3 weeks of accommodation in a self-contained apartment or hostel is very high. Australiaâ€™s increasing involvement in international markets has led to greater emphasis being given to the business.

Australia welcomes highly experienced business people who bring the global expertise and capital to Australia and skilled migrant who will help to offset specific skills shortages and expand the size and quality of the Australian work force. People who are interested in Australia immigration can apply through Australian consular offices or with the assistance of a registered migration agent.

Australia is famous for its long days of sunshine, spotless blue skies, brilliant white beaches, and welcoming friendly people. The growing population in Australia spends more and invests more, thus contributing to the expansion of the country economy.

There are different types of Australian visa which are:

Partner visa is issued if you are married to a fiance, or in a de facto relationship with an Australian citizen, permanent resident may be eligible for a partner visa.

Spouse visa is for the people who are married to an Australian citizen or permanent resident.

Partner visa is only applicable to the person with a marriageable age and the current adult age of the Australian citizen is 18 years. If neither of the partner is a resident in Australia, both must have turned 16 because the provision under court order to marry lies between the ages of 16 to 18. If they are married their marriage should be recognized by the law of Australia.

The illegal marriage that is not recognized by the law include: arranged or proxy marriages, polygamous marriage, marriage within prohibited degrees of relationship like marrying close family members, same sex relationship marriage, marriage of convenience , marriage that is only recognized by the custom.

Student visa are available in different categories. The following are requirements for a student visa

â€¢ Select a registered course by an Australian Education Institution

â€¢ The course must be full time.

To be granted a student visa you will be assessed against some factors like: your passport Nationality type of student visa you wish to apply for. A student visa is a temporary that is valid for the duration of your course and you may be entitled to apply for another temporary visa or even permanent residence.
