Beautiful Spanish island is perfect for partying.

Ibiza is a Spanish island in the Mediterranean Sea in the coast of the city of Valencia in Spain. The island is famous for its summer club parties that attract large numbers of tourists. The island and the Spanish Tourist Office have plenty of attractive packages for summer holidays in Ibiza in order to promote more family-oriented tourism. Ibiza is considered a popular tourist destination, especially due to its legendary and at times riotous nightlife around two areas of Ibiza Town, the island's capital on the southern shore and Sant Antoni to the West. Summer holidays in Ibiza season traditionally begins at the start of June with opening parties and finishes on the first weekend of October. Even though Ibiza is known for its party scene, large portions of the island are registered as UNESCO World Heritage Sites. From the early days of mass tourism in the island, there have been a large number of development projects.
