Article published on January 24th 2012 | Travel Tips

Once you have passed the life in the UK test, you can start the process of completing your application for indefinite leave to remain UK. There are two forms for applying for ILR which are (SET) M is used for people who are trying to get the settlement if they are having husband, wife, unmarried partner, civil partner who are British citizens. Some of the M guideline is that if you are currently having temporary permission to live in the UK as a partner of a settled person in the country, you can be a spouse of a UK citizen, you have lived in the UK for 2 or more years and you are planning to stay in the country further more. You can include your children in this form if hey are below 18 years.

Form SET (O) is a different form which is used for a different purpose. You need to apply for an indefinite leave to remain UK with this form if you are in the following categories: a tier 1 or tier 2 in the point based system, work permit holder, innovator, businessperson, investor, representative of an overseas newspaper, news agency or broadcasting organization, private servant in a diplomatic household, domestic worker in a private household, overseas government employee, minister of religion, missionary or member of a religious order, airport based operational staff of an overseas owned airline, self employed lawyer, a person with united kingdom ancestry, writer, composer or artist, highly skilled migrant under the highly skilled migrant programme.

Education systems in the UK have evolved over hundreds of years subject to rigorous quality standards. Education in the UK is compulsory for everyone between the ages of 5 and 16 which is provided by state funded and independent schools. Overseas students who study in Britain enjoy a high level of academic care through one on one basis or discussion at tutorial and seminars, which are more central to this level of education than lectures. Student gets to learn new languages, culture and learning environment.

All students are entitled to free national union of studentâ€™s membership which enables them to avail up to 50% off on anything from books, stationary, foods and clothes. UK education are recognized and respected throughout the world. Study in UK and get a solid foundation for building your future, boosting your career and prospects for a higher salary. UK universities, colleges and schools provide a vibrant, creative and challenging environment in which to develop your potential. They also provide quality education which is among the best worldwide.
