Article published on December 14th 2011 | Travel Tips

International students who study in Australia chose to apply for permanent residency after they finish their studies. As a student you can apply for permanent residence Australia if you are between 18 and 49 years of age and have completed at least 2 years of approved full-time study in Australia. You will need to apply as soon as possible after you finish your final exams and before you graduate.

To qualify you must:

â€¢ Pass the points test for the skilled migration

â€¢ Complete a course that gives you a 60 point skilled occupation or 50 points skilled occupation and have an Australian sponsor or 40 points skilled occupation and have an Australian sponsor who lives in designated area.

â€¢ Have English language ability

â€¢ Your Australian qualification must meet the Australian requirements of your nominated occupation.

â€¢ You must undergo a medical examination and health requirements

â€¢ Prove that you have good characters

Your eligibility must satisfy all requirements of the relevant visa subclass and completion of your course. You also receive points if you are fluency in one of the Australian community languages, completion of professional year and sponsorship by government. If you do not meet the above you can apply for a temporary visa which gives you a chance to stay in Australia for up to 18 months to gain skilled work experience or improve English skills and then later on apply for permanent residence Australia.

Australia is known for its natural beauty and advanced lifestyle. Australian offers a quality education and a large number of employment opportunities for foreigners. Working in Australia is a unique way of getting exposed to an international work culture and acquiring new skills. Work visas are designed to assist the migrants get a work permit and work in Australia for a number of years. With the current economic climate, there are still plenty of Australian jobs and they lack skilled workers who can do the work.

To work in Australia you need to have a valid visa and in order to collect wages you will need to have a tax file number, which you can apply by filling out other forms from the Australian tax office. It is possible to obtain work in everything from sales and marketing, to fruit picking season, to professional in health and sciences. Many people are attracted to work in regional Australia which has open spaces, less expensive lifestyle and good environment. They also have strong culture diversity with well established communities.
