Albatross Travel is a private Romanian company, acting as a travel consultant and tour-operator on Romanian market for inbound tourism on all travel services related to it.

Starting from 1998, Albatross provided travel services for about 15,000 foreign tourists coming to Romania. Our main markets for incoming tourism are United States, Great Britain, Israel and Canada.

Albatross Travel was founded in 1994 and serves as a travel agency, with the following departments:

incoming tourism

outgoing tourism

airline ticketing

travel consultancy

We know how important is for our clients to have a reliable travel agent, to be sure that all the things have been taken care, to feel comfortable and to relax during your vacation. That is why our services were tailored to meet all your needs: accommodation in a large variety of hotels, pensions and rural guesthouses all over Romania (and not only here), car rental and transfers, specific or customized tours arround the country and many other things.

You will discover that wether you are a businessman looking for organizing a conference, a traveler that likes to discover the history that it is hidden in the walls of the fortified churches and fortresses,

a fisherman or a hunter that likes to spend the entire day in search for the big pize, a beliver that would like to find the old roots of christianity or just a person that would like to taste a little bit of everything, for all of you we can arrange the perfect travel services.

Our large experience in the travel business could be recommended, among the others, by the following organizations and persons:

The American International School of Bucharest (AISB)

The American International School of London (TASIS), England

The American International School of Florence (TASIS), Italy

The American International School of Switzerland (TASIS), Montagnola

The United States Embassy in Bucharest â€“ Community Liaison Office

The Group Defense Applications (CUBIC) in Romania

The European Union â€“ Euro Customs Consortium Paris, France
