Spouse Visa and Moving to Australia by Francis

Article published on December 17th 2011 | Travel Tips

The spouse visa Australia allow partner of Australian citizens, permanent resident or eligible New Zealand citizens to apply to enter and stay permanently with the partner in Australia. The spouse visa can either be applied from inside or outside Australia. If you are applying while you are in Australia you must hold a valid substantive visa and be in Australia at the time the visa is granted. Both you and your partner must be 18 years and over at the time of application. If the couple is living separately, the separation must not be permanent unless there are compelling and compassionate circumstances.

Spouse visa is initially granted for 2 years and after 2 years and the relationship is still genuine and continuing, you can apply for permanent residence. You must undergo a medical examination and x-ray by doctors selected by Australian officials and have a police certificate for all the countries you have lived in since 10 years. If you are applying from outside Australia then you must also be outside of Australia at the time the visa is granted. Where the couples are not married then you must be a genuine relationship be living together for no less than 12 months immediately before the date of applying for the spouse visa Australia

Australia has always been a top destination choice for migrants, renowned for its quality of life and the opportunities it offers. Australia is the largest country in the south pacific boasting a population of 20 million people. When moving to Australia you need to be prepared and make some important and informed decisions to ensure that your relocation will run well for you and your family.

Australia is a country of vast beauty which covers an area of more than seven million square kilometers. Its scenery ranges from lush tropical rainforests, to snow-capped peaks from stony deserts to rugged mountains, and rich pasture which makes foreigners to relocate. Australia consists largely of outback inland areas of which few Australian live.

With many beautiful places in Australia to chose from, the outstretched arms of Australia is waiting for you and will offer you all the adventure and diversity you need in life and you will not regret moving to Australia. Personal and household effects may be imported into Australia free of customs duty and goods services tax providing that you are able to live in Australia. If you are moving to Australia as a tourist or take up temporary residence you will be required to provide your length of stay in Australia.
