Spring-time enjoyment in Puerto Rico by Simon C Parker

Article published on March 5th 2012 | Travel Tips

Come spring vacation and almost everybody is on the lookout for a place to visit. Those with families will especially be looking for a spot that would work well for all age groups. Though many places may have warm weather when spring starts, there is nothing that can beat lounging on the beach, getting a tan and watching the children splash around close to you. Of course, places like Puerto Rico have so much more on offer for all age groups and kinds of vacationing parties as well.

If you are a resident of the USA, then getting to Puerto Rico, especially from the eastern seaboard is a short distance. Also you do not have to worry about carrying a passport or changing currency. The travel rules between the two countries are that flexible. This makes it easier for student groups to travel here as well. So what does one do in Puerto Rico?

For surfing enthusiasts, the city has got the best of surfing swells all through the year. For you to get the best of experiences here in the city, you could consider staying in a government certified Paradores, which is a homely staying option that is generally placed close to touristic sights. You could also settle on one that offers a gastronomical experience as well. There is nothing like the local cuisine to immerse yourself in. For those with families, there are several hotels that will cater to children as well. Look at place such as the Marriott San Juan, the Rio Mar Beach Resort and Spa, the Caribe Hilton, and the Waldorf Astoria El Conquistador Resort & Golden Door Spa. Besides being kid-friendly, they also have numerous activities that will keep them busy with camps, pools and the like.

Besides all the activities that you can participate throughout the resort, you could also visit some popular sights such as the bioluminescent bays and its glowing waters which will thrill all irrespective of age. You could also try exploring the Rio Camuy underground cave system with their system of trams. Young children will find this clearly amusing. For a commune with nature, you could try the El Yunque, which is a gorgeous rainforest with numerous tropical plants, waterfalls as well as birds and wildlife.

All put together, with your planning in order, Puerto Rico can be a perfect spring vacation spot for you to visit time and again. Rest assured you will find something new to do each time.
