Article published on December 14th 2011 | Travel Tips

Student visa Australia is for international students who wish to study for more than 3 months and you need to be offered a place to study. This visa take up to 6 months to be processed depending on the country you come from. If you hold a student visa, you can work up to 20 hours per week while your university program is in session and full-time during university vacations. You must satisfy attendance or course requirements and maintain a valid enrolment for the chosen course of study. You are supposed to attend a minimum of 80% of all classes.

There are different types of student visa based on intended studies which include:

â€¢ Subclass 570 English language intensive course is for those who want to study English language that lead to certificate 1 to 4.

â€¢ Subclass 571 primary or secondary school course applies to primary, senior secondary school and approved secondary school exchange programs.

â€¢ Subclass 572 vocational educations and training applies to certificate 1 to 4, diploma, advanced diploma, vocational graduate or vocational graduate diploma courses.

â€¢ Subclass 573 higher education applies to a bachelor degree, associate degree, graduate certificate or masters by coursework.

â€¢ Subclass 574 post graduate research is for those who want to pursue masters by research or a doctoral degree.

â€¢ Subclass 575 non award applies to non-award foundation studies or other full-time courses or components of courses not leading to an Australian award.

â€¢ Subclass 576 AusAID and defence applies to students sponsored or the Australia department of defence undertaking full-time courses of any type.

â€¢ A subclass 580 student guardian is for parents or relatives who apply for a visa to stay in Australia as the guardian of a student who is studying in Australia.

Immigration to Australia helps you to come and explore the brilliant blend of business, investment, cultural and lifestyle opportunities. No matter in which country you are, you can always consider immigrating to Australia. You can migrate to Australia due to any reason like pursuing further studies, working, settling with the family.
