Student Visa New Zealand and Silver Fern Visa by [Francis](#)

Article published on January 31st 2012 | [Travel Tips](#)

Student visa New Zealand is for international students who wish to study for more than 12 weeks. To be eligible you must have an offer of acceptance from a New Zealand school, college or university. The offer must include the course title and the time limit for completing the course, evidence of the provider and course being accredited by the New Zealand qualification authority, the full fee for the entire duration of the course, evidence of fee payment and evidence of full-time or part-time enrolment course and course provider accreditation.

Student visa New Zealand is issued to student with good character, health and show that you have sufficient funds for the duration of your stay in New Zealand. Students will need to study in New Zealand for at least two years for study to work visa unless you have postgraduate qualifications or credit transferred bachelor degree and those studying one year diploma will not qualify. Students who obtain a second higher qualification at bachelor's degree or postgraduate level will be able to acquire two graduate job search visas rather than just one.

The silver fern visa allow young people aged between 20 and 35 years old to new Zealand to search for work as well as boost international business connections and provide skills for the economy.

Silver fern visa is divided into two which are:

The silver fern job search policy enables youth with proven potential to come to New Zealand for up to nine months to look for employment. A limit of 300 places per year is available and to be eligible you must be outside New Zealand when applying, hold a qualification and the requirements for recognition under the skilled migrant policy, meet the English language requirements, have minimum maintenance fund, and be genuine in your skilled employment, meet temporary entry health and character requirements and have not previously been issued a silver fern job search visa.

Silver fern practical experience is for those who have a silver fern job search and have an offer of skilled employment, and that employment is for a term of at least 12 months, you must meet temporary entry health and character policy requirements and have not held the silver fern practical experience visa. The silver fern practical experience visa is issued for the duration of your offer of employment up to a maximum of two years. If you have short term contract and obtains further employment you can apply for a further work visa until you reach the maximum of two years.
