Article published on November 26th 2011 | Travel Tips

Universities in USA are among the top ranking world-wide because of their infrastructure, technology advancement and top quality of education. The best approach of this education system is that it allows students to learn and earn which teaches to have a practical and professional approach. USA universities provide extraordinary support to international students by giving them help and guide from the first day. The success of any student will be direct proportional to the amount of dedication and hard work

Students are placed based on their financial and skills. The variety of skills and cross-culture environment can make the learning experience in the US universities a rich and unique one. With such diverse academic and cultural backgrounds, international students are better prepared for working with absolute ease anywhere in the world. . As you study in USA you are allowed to work for 20 hours per week which help to cover the student cost of living.

Study in USA and get the most flexible education system as students can study in their area of interest as specialization. The United States has more institutions of higher education than any other country. The quality of the research program along with the resources available and the faculty ensures that the institution have high standards. The USA is the right choice for research professionals and there are many opportunities to do research in any field.

Fiance visa is for those who have a fiance who is already a US citizen or permanent resident. It allows you to live and work permanently in the united states for 90 days on the basis of your engagement to a us citizen. If your marriage takes place within 90 days of your arrival in the United States, you must file an application for adjustment of status which will provide you with conditional permanent residence status. This status is valid for 2 years after which you apply for permanent residency.

To be eligible for fiance visa you must show that:

â€¢ You must have met your fiance in person within the past 2 years

â€¢ Both you and your fiance must be able and willing to marry- If anyone of you has been married you must show the divorce, or annulment of marriage

â€¢ You must prove that you and your fiance have a genuine interest to get married within 90 days of your arrival in the United States.

â€¢ The petitioner must also meet income requirements

â€¢ You must meet certain standards

â€¢ You must possess an international passport at the time of interview.
