Study Permit and Moving to Canada by Francis

Article published on February 3rd 2012 | Travel Tips

Study permit Canada is for foreign national wishing to study in Canada, but not everyone who need a study permit to study in Canada. You may apply for the renewal of study permit Canada if the application is made before the expiry of the permit, you have complied with all conditions imposed on your entry into Canada and you are in good standing at the educational institution at which you have been studying.

You do not need the study permit If:

You are a family member or a member of the private staff of a foreign representative who is properly accredited by the department of foreign affairs and international trade and who is in Canada to carry out official duties as a diplomatic agent, consular officer, representative or official of a country other than Canada, of the united nations or any of its agencies or of any international organization of which Canada is a member.

As a member of the armed forces of a country that is a designated state for the purposes of the visiting forces act, including a person who has been designated a s a civilian component of those armed forces or

If the duration of your course or program of studies is months or less and will be completed within the period for their stay authorized upon into Canada.

To be eligible you need to have the following documents:

1. Proof of sufficient funds

2. Letter of an offer acceptance to a Canadian school

3. Proof of your identity

4. Results of a medical examination

5. Police records

6. Completed application form

7. Valid passport

If you are moving to Canada it is important to ensure that you change your address with the proper authorities. You should notify the federal and your provincial or territorial government to ensure that your benefit payments continue to arrive on time. You must pack your documents that related to your citizenship and personal identification and have them at hand to make your move easy. Moving to Canada can be as easy as moving to the next state, if you prepare well in advanced.

Canada is a beautiful county and the Canadian are friendly and welcoming. Moving to Canada is an exciting venture for you and your family. You and your moving company must meet at customs with your belongings. You are not supposed to pack any food, liquor, and tobacco or beverages as this will cause delays. Before you leave you should find out if your health insurance covers you in Canada or locate for another provider because there many checks up you need to undergo before

you start your journey.
