Study Permit Canada and Canadian Visa by Francis

Article published on January 4th 2012 | Travel Tips

Study permit Canada is for international students who have received an offer of acceptance at a recognized Canadian school, university or college. You should have a valid passport for you and accompanying dependant family members and evidence that you will be able to financially support yourself and accompanying dependants for the duration of your study and for your tuition. You must proof that you do not have a criminal record and you are not a risk to the Canada security, you are in good health and you can prove that you will leave Canada at the end of your studies.

Educational institutions in Canada are often quite prestigious and high quality and the schools are much more affordable than most other schools. You can apply for your study permit Canada in your country of residence, your country of nationality or country where you have been legally admitted. Your spouse and children may accompany you to Canada if you are full-time student at an authorized institution and they may be able to apply for a work permit.

Canada has a high academic standards and rigorous quality which makes international students to earning a high quality qualification those open doors for their future and benefit their career over the long term. A Canadian degree, diploma and certificate is globally recognized as being equivalent to those obtained from commonwealth countries.

Canadian visa allows foreigners to travel to Canada to work, study or visit. The following are different type of Canadian visa:

â€¢ Canadian permanent resident visa is a pathway to becoming a Canadian citizen and gives you an opportunity to live, work and study in Canada. You get to enjoy most of the same rights as the Canadian citizens.

â€¢ Student visa the first step to obtaining this visa is to have an offer of acceptance from a Canadian school. Student visa can lead to permanent residence status through the Canadian experience class.

â€¢ Skilled worker program is for migrant worker who wish to live and work in Canada as permanent residents.

â€¢ Canada work permit is for those who have the job offer and it depends largely on the nature of the job, duties that will be performed in Canada and salary verification.

â€¢ Business visa are granted to migrant who can invest in or start up a new business in Canada and to support the growth of the economy. It is also for those who have experience in business.

â€¢ Family visa helps to reunite families in Canadian homes. Canadian citizens and permanent residents living in Canada, 18 year of age and older may sponsor close relative who want to become permanent residents of Canada.
