Article published on February 2nd 2012 | Travel Tips

Owing to its great spiritual significance, Tirupati is one the holiest destinations in India and the most visited pilgrimage center indeed. Being adobe to the Lord Venkateswara â€“ an incretion of God Vishnu, itâ€™s considered the â€˜Vaikuntam on the Earthâ€™. Every year millions of Hindus across the gl visit this place to have Lordâ€™s darshan. And this number of pilgrims who come here for Tirupati darshan is extending gradually; around 60,000 devotees visit the temple daily to pay homage to this supreme power â€“ â€˜Lord Venkateswaraâ€™.

During weekends, holidays and special festivals, Tirupati features a huge crowd. Sometimes, devotees have to wait more than 48 hours to catch glimpse of the lord. However, to put them on ease, Tirumala Tirupati Devasthanams (TTD) makes various arrangements including food, accommodations, bathrooms and other required facilities. Apart from that, numerous facilities are provided to make Tirupati tour easy and comfy. Some of them are detailed below:

E-Seva: Itâ€™s in fact an advance booking for Tirupati darshan. People planning for Tirupati tour can book for any of the darshans 90 days ahead. They just need to visit the website of TTD, and reserve the darshan tickets as per their requirements. A complete detail on darshans is available over the website. Booking can be done through both Debit and Credit Cards.

Tickets by Post: This facility enables the pilgrims availing darshan tickets by post. It requires writing a letter to the temple authority requesting for darshan tickets on your preferred date. Itâ€™s recommended to post the letter at least 90 days prior to the date you opt for darshan. Make sure you mention the type of darshan and send the latter along with a demand draft in favor of TTD holding the amount of darshan tickets. If tickets are available, they will be sent to you by post. If not, the authority will return your demand draft.

E-darshan: This online reservation service makes it possible to do all Tirupati booking online and get all required information from your home. Today, there are 43 online centers offering this service in various cities of India. Through this system, you can reserve special darshan, Archana Anthara darshan and other required services at Tirumala. To reserve the tickets, all members in your groups will have to approach the counter as photographs and fingerprints of everyone are required while issuing the tickets.

Sarva Darshan: This is a free darshan that everyone can have. Free tokens are available at TTD specified places. After getting the token, you will have to wait for your turn. Time taken for Tirupati darshan depends upon the crowd.

Simply, there are several arrangements made by Tirumala Tirupati Devasthanams (TTD) to help devotees plan their Tirupati tour properly. However, some reputable travel companies offer customized Tirupati package that includes all sightseeing, accommodation and other required facilities for Tirupati tour. System of Tirupati online booking is available at the web address of these companies. Considering your needs and budget, you can easily reserve a suitable Tirupati package.
