Monks & Monkeys Travels Pvt. Ltd. Is proud to launch a complete tour package called Travel in India.

India the perfect example of Unity in Diversity has a variety of cultural, religious, linguistic, demographic, geographical variety to offer to its visitors. From Kashmir to Kanyakumari, Gujarat to Arunachal Pradesh, every place has its own uniqueness to offer. Be it the snow capped mountains of Kashmir, the deserts of Rajasthan, the beaches of the South, the backwaters of Kerala, the exotic natural landscapes of North-East, India boasts of a unique natural diversity that no other country possess. With people following all the major religions in the world like Hinduism, Islam, Christianity, Sikhism, Buddhism etc it the worldâ€™s largest secular democracy. With over 22 official languages and additional regional languages spoken country wide, India is a cauldron of linguistic diversity. Being the 2nd largest populous country in the world it boasts of demographic diversity that is worth experiencing. All these aspects results in a cultural diversity which is one of its kind.

We guarantee that your holiday tours to India will be very enriching as you will have something new to see and experience in every part of India.
