Article published on July 1st 2012 | Travel Tips

Hiring cab services in Mumbai is the best way to travel around Mumbai. Mumbai is an island city with a coastline on three sides. The climate is always hot and humid, travelling by bus and train is comfortable for a Mumbaiker as he/she is used to the climate as well as travelling condition. However for a person from abroad especially cooler climates who have come for a business or tourist visit it is best to travel in cabs in Mumbai.

Today one will find taxi service in Mumbai by dozens. However there is one car service you can trust blindfolded and that is Easy Cabs. Started by CIPL, this radio cab service was first launched in Chandigarh under the brand â€˜Easy Cabsâ€™ in 2006. Easy Cabs Mumbai launch took place on 18th of March 2010. Today CIPL operates more than 2500 cars in Delhi, Bangalore, Hyderabad & Mumbai all fitted with GPS/GPRS tracking mechanism.

You can hire Easy cabs in Mumbai by going online and booking a cab to your desired destination. You can also call them on their All India Common Number 43434343 to hire their services.

The call will be directed to the city call center and details of booking would be entered in the system. If you are a second time user of their service then the personal details would be in the system which would enable quick response to your requirement. Within a maximum of 15 minutes from booking of the service you will find a cab to take you to your destination. Easy Cabs make use of advanced technology that allows real time tracking of cars, online communications, customer identification, tracking of data, digital fare meter which gives you precise fare, thermal printer in car for payment, distress buttons in the car for emergency etc making Easy cabs a truly advanced car.

Also they have a detailed customer feedback form where you can tell them about your experience in the Easy Cab. You can also give them your suggestions and feedback. If you have any complaints this is a place to write to and they will promptly pat attention and solve the problem.

For businesses who want to advertise their services and products get in touch with Easy Cabs. The doors space and the headrest and back of front seats are used as advertising space and can be hired at a reasonable cost for advertising purposes. Truly Easy Cabs is one of the best way to travel in Mumbai.
