Trilogy Dubai Nightlife by

Article published on November 28th 2011 | Travel Tips

If visiting one of the largest and fanciest clubs in Dubai is on your agenda, the first thing you want to do after arriving at your Dubai hotel is ask the staff how to get a reservation at Trilogy, one of the most expensive and impressive nightclubs in the city. All of the Dubai hotels have this ranked as the cream of the crop, and if rubbing shoulders with several thousand people all grinding to the same beat is your idea of a night out, this is the place to be.

An intricate fusion of Moroccan design and industrial flair, Trilogy is definitely not one of the budget-oriented clubs that your Dubai hotel staff will discuss with you. As any of the staff at the Dubai hotels across the city will tell you, Trilogy is one of the most expensive clubs in the city, but it has a reputation to go with those prices, and every bit of that reputation is well-earned. Whether you are staying in a Dubai hotel close to the club or at one of the Dubai hotels further away from the centre of the city, everyone will agree that Trilogy is the elite club of the city.

Considering how sophisticated Trilogy is in comparison to many of the other clubs, be sure to arrive early to avoid the massive crowds, as well as avoid getting bumped from the queue if the place becomes too crowded over the course of the night. Keep in mind that like most of the Dubai clubs there is a couples-only rule, so find a date before you come.
